The wording would make certain that such resignations shall take effect from the date of the notice." The DC may be asked to proceed to fill up the vacancies and to elect a V.P.

(6) From the legal opinion furnished in the Khulna case it appears that perhaps the Councillors have signed their resignations prior to the date on which they sent notice of resignation. They have therefore to be taken up the matter first and then to obtain a fresh resolution if Government consider necessary & Council have such application with refund

SIR,

I have the honour to state that the President of the Alur municipal council reported in his No. 197 dated 24-1-28 that the marginally noted members of the Municipal Council,

1. Mr. A.S.Basappa
2. Mr. A.S.Nanjundappa
3. Mr. Mallesa Gowda
4. Mr. Siddaramappa
5. Mr. Veerabhadregowda
6. Mr. Dyavegowda

who had tendered their resignations, subsequently desired to withdraw the same and that they might be permitted to do so. As he had not sent the alleged resignations, I called for the papers and examined them, and they are forwarded herewith for reference, along with a copy of the President's report No. 199 dated 29-1-28 on the subject.

2. It is reported that the resignations are all in the handwriting of the members concerned and that they were passed on to the President by his predecessor (Mr.S.Narasinga Rao) on the eve of his departure on transfer from Alur on the 12th January 1928. The dates of presentation of these resignations to him are not noted on them.

3. In the circumstances mentioned above, the resignations may be considered as invalid and the gentlemen allowed to continue on the council as recommended by the President.

4.

4 Pending orders of Government on this subject, steps for electing the Vice President of the Council as repo my letter No C 815-27 dated 12-1-28 have been stayed.

==========

With reference to your official memorandum No C 857-27 dated the 28th instant in re the resignations of certain members of this council etc , I beg to enclose herewith for favour of kind perusal, the several applications passed on to me by Mr S Narasinga Rao, the former President of the Council, on the eve of his departure, from this place to Sagar, and to state that they are a in the handwriting of the members concerned But as ~~xxx~~ none of them bear the initials of the o ficer and t e date of receipt I cannot be made out as to when they were presented to him

2 Although accoording to the Regulation, there is no provision either for the acceptance of resignations once tendered or fo this withdrawal subsequently, yet I am opinion that it is desirabl to grant the members permission towithdraw their resignations and to consider them as having retained this membership on the council as a special case, in view of its recent reconstitution and the labour and delay that would involve if these vacancies are ordered to be filled up as per rules in force

3 In this connection, I beg to submit that two of the memb concerned and noted in the margin have stood up for election of t Vice Presidentship of the Council which is fixed to come off on the 31st January 1928

With reference to your letter No L 4767/Ml 31-27-14 dated the 17th February 1928 enquiring as to the circumstances under which many Municipal Councillors of Alur resigned etc., I have the honor to forward herewith a copy of the Alur Municipal Presidents report No 229 dated 23rd February 1928 on the subject for information and favour of orders of Government

2 I may mention that in persuance of instructions conveyed in your letter No L 5143/Ml 31-27-16 dated 1st March 1928, needful orders have however been issued to the President of the Municipal Council to take steps to fill up the vacancies consequent upon the resignation of the six members in question As soon as his report is received, I shall submit my proposals for the orders of Government

Report No 222 dated the 23rd ebruary 1928 from the Municipal President, Alur, to the Deputy Commissioner, assan District

---

Although it is stated in the resignation application of the members concerned that their resignations were purely due to their domestic troubles or other causes, Yet from the confidential enquiries made by me and from the conversation I had with some of the members in question, I was able to understand that as the nomination of one Kullira, since resigned, a Kulavadi of their own, as a colleague of theirs on the Council, their feelings and self-respect were wounded and they had to resign in consequence.

2 When the members came to know that the said Kullira had tendered hisresignation owing to his own troubles, hey appear to have put in the application for the withdrawal of their resignations

3 In this connection, I beg to add that in case permission is refused to withdraw their resignations and bye-elections are ordered as a result thereof, there seems to be every possibility of 6 out of the 8 members (Mr Gallegowda being nominated member) being returned to the Council once more as they are men of power and position in their places and that this result may adversely affect the Municipal Administration of this town in no small degree

Letter No. 173 dated 10-4-28 from the President, Municipal Council Alur, to the Deputy Commissioner Hassan District.

With reference to the last para of my report No. 162 dated 4-4-28 re: the filling up of the remaining seat on the council by nomination I beg to request that the case of one Mr. A.S.Basappa may kindly be considered in this connection.

2 Mr. Basappa belongs to a respectable family of Lingayets of this place and is a gentleman of high education and culture. He was a nominated member and latterly the Vice-President of this Council prior to its reconstitution and he appears to have justified the selection by the interest he evinced regarding the affairs of the Municipalit

3. He was no doubt one of the candidates that had stood up for the bye election held on the 2nd April 1928, but narrowly missed the chance by only two votes. Yet this may not be regarded as a disqualification forhis coming up to the council by nomination. For of the present members there is not even one member who is fitted either by education or otherwise to occupy the responsible position of the Vice President As Mr. Basappa possesses the necessary qualifications, he will eventually be the fittest candidate for the Vice Presidentship of the Council.

4. I therefore beg to request that Mr. Basappa may kindly be nominated to the existing seat on the council, and the approval of Government obtained for the same.
